**Political:**

A subsidy of 3,500 dm per month is being paid to the Latvian newspaper Latvija in Germany in an effort to help it become financially independent. Continuation of the subsidy for 3 months beginning 1 February 1952 was authorized this month. Latvija is an independent paper with a large circulation among DP's in Germany and other parts of Western Europe. It is felt that it makes a significant contribution to the political and national awareness of the Latvian DPs.

**Finances:**

Lacking any official notification from BD/BF of changes in the financial status of this project resulting from the recent reorganization, the above figures are those carried on EE-2 books. No arrangements between EE/SSS and SR on the division of responsibility on Baltic projects and the consequent division of finances is reflected.
